

# OKHOTSK ABASHIRI MARATHON 2020

September 27

**The Abashiri Marathon makes you excited.**  
-fantastic scenery, impressive course, comfortable "omotenashi"-

## 1 The Okhotsk Abashiri marathon has a 6 1/2 hour limit.

In the first half of the marathon course is rather hard with up-and-down. The time limit has been extended by 30 minutes from last year, there would be much chances to complete finish.

Check Point	Opening Duration
14.4km	2hours,20minutes
29km	4hours,25minutes
35km	5hours,20minutes
42.195km	6hours,30minutes

## 2 Aid Station – Enjoy fluids and various food.

Fluids and various local food will be available at official aid stations every 2.5km beginning at 5 km. Most of them are set by a Local university students. (Tokyo University of Agriculture).

## 3 FINISHER Medal is made by Abashiri prison with its branding mark.

They' re made of Japanese pagoda tree and each is the only one in the world. Original Finisher medals are for FULL MARATHON FINISHERS ONLY, not entrants.

## 4 Pace Setter supports by level.

There is pace Setter by target time. It is a competition that aims at achieving the target time. Every 30 minutes after the target time 3 hours

## 5 100 National Running Competition.

Okhotsk Abashiri marathon has been chosen one of 100 National Running Competition in 2015,2016 and 2017.
